

QUALITY FOR CONTRACTING & SUPPLIES CO.
SAID ASHOUR

ABOUT US

QCS (Quality for Contracting and Supplies) is a general contractor company focused on delivering construction projects to a diverse group of high-profile clients. We offer our clients engineering and construction services for complex and large-scale projects. The company is also undertaking major roles in most of the mega national projects that positively impact the Egyptian economy and boost growth rates to the highest levels. Since its establishment, the company has continuously expanded its operations by consistently delivering quality services that always meet and exceed our client's expectations.

WHY WORK WITH US ?

WE ARE PASSIONATE

We have a proven record of accomplishments and are a reputable company in Egypt . We are passionate about engineering and construction . We ensure that all of our projects are done with utmost professionalism using quality materials while offering clients the support and accessibility

WE ARE ALWAYS IMPROVING

At QCS, we believe in continuous improvement. We care about improvement with the same commitment and discipline as our projects. We commit ourselves to finish all projects within the schedule set with our clients. We utilize the best engineers and instruments to guarantee that all tasks are carried out with utmost punctuality alongside offering thoroughness and guaranteeing everything is carried out accurately and precisely.

HONEST AND DEPENDABLE

For us, honesty is the only policy and we strive to complete all projects with integrity, not just with our clients, but also our suppliers and contractors.
